IN PERSON | EMBASSY OF THE NETHERLANDS, KLOSTERSTRASSE 50, 10179 BERLIN**

100 international Lab winners will be pitching their breakthrough ideas on the stage in Berlin with the hope of winning Breakthrough of the Year! What is the day going to look like? What can you expect? Who are the other Lab winners who you will get to meet, network, and connect with? Are you nervous about public speaking or have never been on stage before?

This intro session will be moderated by Joey Leskin from JLeskin Leadership. Joey, a communication skills specialist and team culture influencer, is a leadership consultant from London. With years of experience as a coach and moderator, he designs and facilitates experiential and educational training workshops for global audiences. He will also moderate the Falling Walls Lab finale on 7 November. The Falling Walls Lab team will be available to answer any practical questions you may have.

We look forward to meeting you, getting to know each other, and preparing ourselves together for 7 November!
