5.15 pm

WORKSHOP WRAP-UP

5.45 pm

SPARE TIME

6.15 pm

CHECK-IN AT THE VENUE

For new and returning guests.

6.30 – 9.00 pm

WOMEN BREAKTHROUGH AWARD CEREMONY & DINNER

Female Science Talents and the Elsevier Foundation will award four international researchers who conduct visionary research while contributing to gender equality and diversity in science.

Opening Words:

Mirit Eldor, Elsevier & **Johanna Sieben**, Falling Walls Foundation

Category Innovation:

The Power of Black Soldier Fly for Bioconversion and Feed, **Atinuke Chineme**, University of Calgary & **Marwa Shumo**, Center for Development Research (ZEF), University of Bonn & Intensive Track Champion 2022

Category Gender Mainstreaming:

AI to Identify Gender Bias in School Textbooks, **Sudeshna Das**, Indian Institute of Technology Kharagpur

Category Empowerment:

A Culturally Sensitive Model for Intimate Care Facilitation in Nursing Care, **Simangele Shakwane**, University of South Africa

In the presence of our distinguished Jurors:

Ylann Schemm, the Elsevier Foundation

Rana Dajani, Hashemite University & Society for the Advancement of Science and Technology in the Arab World (SASTA)

Imke Rajamani, Hamburg Sustainability Conference

Injonge Karangwa, Institute for Creative Repair

(This is an invitation-only event)

***Note:** The afternoon workshop is reserved for our Intensive Track Champions 2023, Women Breakthrough Award Winners, Zia and Körber Stiftung fellows. We invite Science Summit ticket holders to join the Falling Walls Pitches at Radialsystem and come back for the Award Ceremony.
